

Check Expirations

10/23/2023 12:50 pm EDT

Check expiration

Checks are issued with the words Void after 90 days printed on them. On the 91st day after the date of issue, the check expires.

- When the check expires, we'll automatically remit the funds to the originating bank account
 - We'll notify all users with view payments permissions via email notification, when the check expires and we void it.
-
